22 be funded for a total of 4 consecutive fiscal years for a total  
23 program cost of \$10,000,000.00.

24 Sec. 263. (1) Included in the appropriation in section 236 for  
25 fiscal year ~~2021-2022-2022-2023~~ for MSU AgBioResearch is

 15 ~~supplemental funding for fiscal year 2021-2022, and payments under~~  
 16 ~~section 265a for performance funding for fiscal years 2022-2023 and~~  
 17 ~~2023-2024, shall~~ **Payments under section 265a for performance**  
 18 **funding and 1-time performance funding for fiscal years 2022-2023,**  
 19 **2023-2024, and 2024-2025 may** only be made to a public university  
 20 that certifies to the state budget director by October 1, ~~2021-2022~~  
 21 that its board did not adopt an increase in tuition and fee rates  
 22 for resident undergraduate students after September 1, ~~2020-2021~~  
 23 for the ~~2020-2021-2021-2022~~ academic year and that its board will  
 24 not adopt an increase in tuition and fee rates for resident  
 25 undergraduate students for the ~~2021-2022-2022-2023~~ academic year

 29 more than 1/2 of all resident undergraduate students at least once

1 during their enrollment at a public university, as described in the  
 2 higher education institutional data inventory (HEIDI) user manual.  
 3 A university increasing a fee that applies to a specific subset of  
 4 students or courses shall provide sufficient information to prove  
 5 that the increase applied to that subset will not cause the  
 6 increase in the average amount of board-authorized total tuition  
 7 and fees paid by resident undergraduate students in the ~~2021-2022~~  
 8 **2022-2023** academic year to exceed the limit established in this  
 9 subsection.

10 (b) "Tuition and fee rate" means the average of full-time  
 11 rates paid by a majority of students in each undergraduate class,  
 12 based on an unweighted average of the rates authorized by the  
 13 university board and actually charged to students, deducting any  
 14 uniformly rebated or refunded amounts, for the 2 semesters with the  
 15 highest levels of full-time equated resident undergraduate  
 16 enrollment during the academic year, as described in the higher  
 17 education institutional data inventory (HEIDI) user manual.

18 (2) The state budget director shall implement uniform  
 19 reporting requirements to ensure that a public university receiving  
 20 ~~a payment under section 236 for 1-time supplemental funding or a~~  
 21 payment under section 265a for performance funding **or 1-time**  
 22 **performance funding** has satisfied the tuition restraint  
 23 requirements of this section. The state budget director ~~shall have~~  
 24 **has** the sole authority to determine if a public university has met  
 25 the requirements of this section. Information reported by a public  
 26 university to the state budget director under this subsection ~~shall~~  
 27 **must** also be reported to the house and senate appropriations  
 28 subcommittees on higher education and the house and senate fiscal  
 29 agencies.

(3) Universities that exceed the tuition and fee rate cap described in subsection (1) ~~shall~~**will** not receive a planning or construction authorization for a state-funded capital outlay project in fiscal year ~~2022-2023 or 2023-2024~~ **or 2024-2025**.

(4) Notwithstanding any other provision of this act, the legislature may at any time adjust appropriations for a university that adopts an increase in tuition and fee rates for resident undergraduate students that exceeds the rate cap established in subsection (1).

Sec. 265a. (1) Appropriations to public universities in section 236 for fiscal years ~~2019-2020, 2020-2021, and 2021-2022~~ **2022-2023, 2023-2024, and 2024-2025** for performance funding ~~shall~~ **and 1-time performance funding may** be paid only to a public university that complies with section 265 and certifies to the state budget director, the house and senate appropriations subcommittees on higher education, and the house and senate fiscal agencies by October 1, ~~2019-2022~~ that it complies with all of the following requirements:

(a) The university participates in reverse transfer agreements described in section 286 with at least 3 Michigan community colleges.

(b) The university does not and will not consider whether dual enrollment credits earned by an incoming student were utilized towards his or her high school graduation requirements when making a determination as to whether those credits may be used by the student toward completion of a university degree or certificate program.

(c) The university actively participates in and submits timely updates to the Michigan Transfer Network created as part of the

Michigan Association of Collegiate Registrars and Admissions  
Officers transfer agreement.

(2) Any performance funding **or 1-time performance funding** amounts under section 236 that are not paid to a public university because it did not comply with 1 or more requirements under subsection (1) are unappropriated and reappropriated for performance funding to those public universities that meet the requirements under subsection (1), distributed in proportion to their performance funding appropriation amounts under section 236.

(3) The state budget director shall report to the house and senate appropriations subcommittees on higher education and the house and senate fiscal agencies by October 15, ~~2019,~~ **2022 and each October 15 thereafter**, regarding any performance funding **or 1-time performance funding** amounts that are not paid to a public university because it did not comply with 1 or more requirements under subsection (1) and any reappropriation of funds under subsection (2).

~~(4) Performance funding amounts described in section 236 are distributed based on the following formula:~~

~~(a) Proportional to each university's share of total operations funding appropriated in fiscal year 2010-2011, 50%.~~

~~(b) Based on weighted undergraduate completions in critical skills areas, 11.1%.~~

~~(c) Based on research and development expenditures, for universities classified in Carnegie classifications as doctoral universities: moderate research activity, doctoral universities: higher research activity, or doctoral universities: highest research activity only, 5.6%.~~

~~(d) Based on 6 year graduation rate, total degree completions,~~

~~and institutional support as a percentage of core expenditures, and the percentage of students receiving Pell grants, scored against national Carnegie classification peers and weighted by total undergraduate fiscal year equated students, 33.3%.~~

~~(5) For purposes of determining the score of a university under subsection (4) (d), each university is assigned 1 of the following scores:~~

~~(a) A university classified as in the top 20%, a score of 3.~~

~~(b) A university classified as above national median, a score of 2.~~

~~(c) A university classified as improving, a score of 2. It is the intent of the legislature that, beginning in the 2020-2021 state fiscal year, a university classified as improving is assigned a score of 1.~~

~~(d) A university that is not included in subdivision (a), (b), or (c), a score of 0.~~

~~(6) As used in this section, "Carnegie classification" means the basic classification of the university according to the most recent version of the Carnegie classification of institutions of higher education, published by the Carnegie Foundation for the Advancement of Teaching.~~

~~(7) It is the intent of the legislature to allocate more funding based on an updated set of performance metrics in future years. Updated metrics will be based on the outcome of joint hearings between the house and senate appropriations subcommittees on higher education and community colleges intended to be held in the fall of 2019.~~

**(4) Performance funding and 1-time performance funding amounts described in section 236 are distributed based on the following**

1 formula:

2 (a) Proportional to each university's share of ongoing base  
3 operations funding appropriated in fiscal year 2021-2022, 1/3.

4 (b) Based on the total number of degrees conferred by each  
5 university compared to other universities within the university's  
6 performance group in fiscal year 2020-2021, as reported to the  
7 higher education institutional data inventory, 1/3. For purposes of  
8 this subdivision and subdivisions (c), (d), and (e), public  
9 universities are divided into the following 2 performance groups:

10 (i) Performance group A, which consists of Michigan State  
11 University, University of Michigan - Ann Arbor, and Wayne State  
12 University.

13 (ii) Performance group B, which consists of the remaining 12  
14 universities.

15 (c) Based on the total fall head count at each university  
16 compared to other universities within the university's performance  
17 group in fiscal year 2020-2021, as reported to the higher education  
18 institutional data inventory, 1/3.

19 (d) The minimum total amount of performance funding and 1-time  
20 performance funding is 5% of each university's fiscal year 2021-  
21 2022 operations funding. A university that does not receive at  
22 least that amount based on subdivisions (a), (b), and (c) must have  
23 its performance funding and 1-time performance funding amounts  
24 increased to a total amount that equals 5% of that university's  
25 2021-2022 operations amount. The minimum funding amounts calculated  
26 under this subdivision must be calculated within performance  
27 groups.

28 (e) A number of universities equal to the number of  
29 universities receiving additional funding under subdivision (d)

1 must have their performance funding and 1-time performance funding  
 2 amounts reduced by a total amount equal to the total amount of any  
 3 increases issued under subdivision (d). The reduction must be taken  
 4 proportionately to each affected university's fiscal year 2021-2022  
 5 operations funding. The number of affected universities and  
 6 proration amounts calculated under this subdivision must be  
 7 calculated within performance groups.

8 Sec. 265b. (1) Appropriations to public universities in  
 9 section 236 for the fiscal year ending September 30, ~~2022~~-2023 for  
 10 operations funding ~~shall~~-**must** be reduced by 10% pursuant to the  
 11 procedures described in subdivision (a) for a public university  
 12 that fails to submit certification to the state budget director,  
 13 the house and senate appropriations subcommittees on higher  
 14 education, and the house and senate fiscal agencies by October 1,  
 15 ~~2021~~-2022 that the university complies with sections 274c and 274d  
 16 and that it complies with all of the requirements described in  
 17 subdivisions (b) to (i), as follows:

18 (a) If a university fails to submit certification, the state  
 19 budget director shall withhold 10% of that university's annual  
 20 operations funding until the university submits certification. If a  
 21 university fails to submit certification by the end of the fiscal  
 22 year, the 10% of its annual operations funding that is withheld  
 23 ~~shall~~-**must** lapse to the general fund.

24 (b) For title IX investigations of alleged sexual misconduct,  
 25 the university prohibits the use of medical experts that have an  
 26 actual or apparent conflict of interest.

27 (c) For title IX investigations of alleged sexual misconduct,  
 28 the university prohibits the issuance of divergent reports to  
 29 complainants, respondents, and administration and instead requires

1 that identical reports be issued to them.

2 (d) Consistent with the university's obligations under 20 USC  
3 1092(f), the university notifies each individual who reports having  
4 experienced sexual assault by a student, faculty member, or staff  
5 member of the university that the individual has the option to  
6 report the matter to law enforcement, to the university, to both,  
7 or to neither, as the individual may choose.

8 (e) The university provides both of the following:

9 (i) For all freshmen and incoming transfer students enrolled,  
10 an in-person sexual misconduct prevention presentation or course,  
11 which must include contact information for the title IX office of  
12 the university.

13 (ii) For all students not considered freshmen or incoming  
14 transfer students, an online or electronic sexual misconduct  
15 prevention presentation or course.

16 (f) The university prohibits seeking compensation from the  
17 recipient of any medical procedure, treatment, or care provided by  
18 a medical professional who has been convicted of a felony arising  
19 out of the medical procedure, treatment, or care.

20 (g) The university had a third party review its title IX  
21 compliance office and related policies and procedures by the end of  
22 the 2018-2019 academic year. A copy of the third-party review ~~shall~~  
23 **must** be transmitted to the state budget director, the house and  
24 senate appropriations subcommittees on higher education, and the  
25 house and senate fiscal agencies. Each university shall have a  
26 third-party review once every three years and a copy of the third-  
27 party review ~~shall~~ **must** be transmitted to the state budget  
28 director, the house and senate appropriations subcommittees on  
29 higher education, and the house and senate fiscal agencies.

1 (h) The university requires that the governing board and the  
2 president or chancellor of the university receive not less than  
3 quarterly reports from their title IX coordinator or title IX  
4 office. The report ~~shall~~**must** contain aggregated data of the number  
5 of sexual misconduct reports that the office received for the  
6 academic year, the types of reports received, including reports  
7 received against employees, and a summary of the general outcomes  
8 of the reports and investigations. A member of the governing board  
9 may request to review a title IX investigation report involving a  
10 complaint against an employee, and the university shall provide the  
11 report in a manner it considers appropriate. The university shall  
12 protect the complainant's anonymity, and the report ~~shall~~**must** not  
13 contain specific identifying information.

14 (i) If allegations against an employee are made in more than 1  
15 title IX complaint that resulted in the university finding that no  
16 misconduct occurred, the university requires that the title IX  
17 officer promptly notify the president or chancellor and a member of  
18 the university's governing board in writing and take all  
19 appropriate steps to ensure that the matter is being investigated  
20 thoroughly, including hiring an outside investigator for future  
21 cases involving that employee. A third-party title IX investigation  
22 under this subdivision does not prohibit the university from  
23 simultaneously conducting its own title IX investigation through  
24 its own title IX coordinator.

25 (2) Each public university that receives an appropriation in  
26 section 236 shall also certify that its president or chancellor and  
27 a member of its governing board has reviewed all title IX reports  
28 involving the alleged sexual misconduct of an employee of the  
29 university, and shall send the certification to the house and

senate appropriations subcommittees on higher education, the house and senate fiscal agencies, and the state budget director by October 1, ~~2021~~2022.

- (i) Goals and objectives to reach optimum institutional size to contribute positively to the future of this state while being excellent stewards of state funding and student tuition, including, but not limited to, goals and objectives as to consolidating

**1 administrative services, academic services, or both with 1 or more**  
**2 other colleges or universities.**

3       Sec. 267. All public universities shall submit the amount of  
 4 tuition and fees actually charged to a full-time resident  
 5 undergraduate student for academic year ~~2021-2022~~**2022-2023** as part  
 6 of their higher education institutional data inventory (HEIDI) data  
 7 by ~~October 1, 2021, and by~~ the last business day of August each  
 8 year. ~~thereafter.~~ A public university shall report any revisions **of**

 16 from the general fund.

17       (2) By January 15 of each year, the department of civil rights  
 18 shall annually submit to the state budget director, the house and  
 19 senate appropriations subcommittees on higher education, and the  
 20 house and senate fiscal agencies a report on North American Indian  
 21 tuition waivers for the preceding academic year that includes, but  
 22 is not limited to, all of the following information:

23       (a) The number of waiver applications received and the number  
 24 of waiver applications approved.

25       (b) For each university submitting information under  
 26 subsection (3), all of the following:

term, including to continuing education students, and the monetary value of the waivers for the previous academic year.

(iii) The number of graduate and undergraduate students attending under a North American Indian tuition waiver who withdrew from the university each term during the previous academic year. For purposes of this subparagraph, a withdrawal occurs when a student who has been awarded the waiver withdraws from the institution at any point during the term, regardless of enrollment in subsequent terms.

(iv) The number of graduate and undergraduate students attending under a North American Indian tuition waiver who successfully complete a degree or certificate program, separated by degree or certificate level, and the graduation rate for graduate and undergraduate students attending under a North American Indian tuition waiver who complete a degree or certificate within 150% of the normal time to complete, separated by the level of the degree or certificate.

(3) By January 1 of each year, a public university that receives ~~funds under~~ **an appropriation in** section 236, or a tribal college receiving pass-through funds under section 269 or 270c, shall provide to the department of civil rights any information necessary for preparing the report detailed in subsection (2), using guidelines and procedures developed by the department of civil rights.

(4) The department of civil rights may consolidate the report required under this section with the report required under section 223, but a consolidated report must separately identify data for universities and data for community colleges.

Sec. 269. For fiscal year ~~2021-2022,~~ **2022-2023**, from the

1 amount appropriated in section 236 to Central Michigan University  
 2 for costs incurred under the North American Indian tuition waiver,
